

### collection of baskets

The key to creating a great-looking basket display is to minimize the colors and vary the sizes. It's helpful to plan your design on the floor first and take a photo of the setup. When you're ready to hang, thread clear monofilament string through each basket to make a loop for hanging.

**BASKETS** From \$28 each, [basketsfromafrica.com](http://basketsfromafrica.com), [french-nc.com](http://french-nc.com), [thelittlemarket.com](http://thelittlemarket.com), [kazigoods.com](http://kazigoods.com) **PILLOWS** From left: Lennon 20" x 20" cotton pillow in indigo, \$36.50, [overstock.com](http://overstock.com); Holli Zollinger French Linen Tribal Ikat 18" x 18" polyester pillow, \$45, [denydesigns.com](http://denydesigns.com); Indigo Mudcloth Polka Dot 16" x 16" pillow cover, \$65, [nomadcloth.etsy.com](http://nomadcloth.etsy.com), and insert, from \$11.50, [pillowflex.com](http://pillowflex.com) **WALL PAINT** Admiral Blue by Benjamin Moore
